

Introduction

The COPS Program of Peel Regional Police is proud to partner with the Sea, Army, and Air Cadet Movement. Through this collaboration, the Emil V. Kolb Centre supports training for all three units across their respective elements. The safety and security of all members and visitors are of paramount importance. As this is an active operational environment, please always adhere to all posted guidelines and yield to police vehicles

For questions or concerns, contact the COPS Cadet OIC or your branch representative.
